MEMORANDUM FOR: Assistant Director for Personnel

SUBJECT : Insurance Coverage for Contract Agents

STAT
25X1A9A

1. In connection with the [redacted] case, it has become apparent that certain Contract Agents have insurance coverage under WAEPA, which because of security considerations, cannot be utilized in the event of their death.

2. The Office of the Comptroller has recommended that all coverage of Contract Agents be reviewed and this coverage be converted to GEHA before the expiration of the current application period on 31 October 1954.

3. Would you have the members of your staff, expert in such matters, confer with appropriate DD/P and DD/A representatives to resolve this matter.
